Dear Sir:

Interest of Entity Making This Disclaimer

Broadcom Corporation is the assignee of the entire interest in this application and in co-pending U.S. Patent Application No. 10/606,371 filed June 24, 2003.

Disclaimer

Broadcom Corporation hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of any patent granted on U.S. Patent Application No. 10/606,371, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only during such period that said patent is commonly owned with any patent granted on U. S. Patent Application No. 10/606,371, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee and its successors or assigns.

It is to be understood from the foregoing language that Broadcom Corporation does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of any patent granted on said U.S. Patent Application No. 10/606,371, even if the effective life of said patent granted on U.S. Patent Application No. 10/606,371 is shortened by any event, subsequent or otherwise (such as, for example, failure to pay a maintenance fee, a court or Patent Office ruling, or a disclaimer by the Patentee).

Fee Status (37 C.F.R. 1.20(d))

Please charge any fees to the deposit account of McAndrews, Held & Malloy, Ltd., Account No. 13-0017.
